*At The Dunes Golf & Tennis Club, set amidst a wildlife preserve sanctioned by the Audubon Cooperative Society, you will find eighteen holes of championship golf masterfully redesigned in 1995 by Mark McCumber. Perfectly contoured fairways and sculptured greens offer challenges to golfers of all skill levels. The Dunes offers a golf setting so natural and picturesque that an abundance of alligators, blue herons, bald eagles and osprey meander among the scenic lakes and lush green fairways. Bring your game, a camera and binoculars and tee it up for a naturally unforgettable experience.*
